

First Start DE Early Head Start - Child Care Partnership**Deadline:** 06/29/2017**Grant**

What are some examples of things we can ask for?

Posted On: 5/26/2017

Answer

For the budget narrative piece of the proposal, programs should determine what is needed to be in compliance of the Early Head Start Child Care Partnership grant standards. Materials that can be requested for programs should be directly related to the compliance of the standards.

Answered By: |**GROUP SIZE, Infant and Toddler Teacher Ratio**

I am a Home Childcare Provider with a mixed age group of children. The ratio that is mentioned here is not like our ratio from OCCL. As a home childcare provider, I am allowed to tend to 6 children all day by myself with a total number of 9 as a level 2 provider. My question is about the information copied from page 19. QUESTION: Will we be disqualified if we don't meet the "4 children per staff" ratio? GROUP SIZE, INFANT/TODDLER TEACHER RATIOS AND CONTINUITY OF CARE • "A minimum of 10 hours a day/max of 12 hours of day • Ratio of 4 children to each staff" • "Maximum group size of 8 children, regardless of the age of children grouped together." • Continuity of Care • Same core group of staff consistently work with the enrolled Early Head Start Children • Note: Children can remain in Family Child Care Homes through Information copied from: PAGE 19

Answer

According to the Head Start Performance Standards §1302.23 (b) (2) When there is one family child care provider, the maximum group size is six children and no more than two of the six may be under 24 months of age. When there is a provider and an assistant, the maximum group size is twelve children with no more than four of the twelve children under 24 months of age. All programs must provide up to 10 hours of care per day, five days per week, 48 weeks per year.

Answer

The deadline for programmatic questions has passed (June 8, 2017). If technical questions arise on the RFP submission, those questions can be directed to Meaghan Brennan at Meaghan.brennan@doe.k12.de.us
